Taxation and regulation of the financial sector

Prof. Andreas Haufler

LS (Seminar) für Wirtschaftspolitik

Wintersemester/winter semester 2024/25

We will cover topics that play an important role in current research and policy discussions in the field, such as the increase in bank's capital requirements under the Basel III agreement, the taxation and regulation of bank managers' bonus pay, corporate governance, the pros and cons of financial transaction taxes, regulatory competition between different countries and the taxation of global banks. The topics for the seminar cover both theoretical and empirical work.
