Taxation, Redistribution, and Mobility
Dr. Karl Schulz
LS (Seminar) für Wirtschaftspolitik
Wintersemester/winter semester 2024

We will cover current research and policy discussions around the topics of redistribution, taxation, and international mobility of households. This includes work on tax-induced labor migration, perceptions of migration and redistribution, political economy aspects, mobility of the ultra-rich, and tax evasion. The topics for the seminar cover both theoretical and empirical work.
